

Program Goals and Objectives

Goal 1:

To refocus and restructure the instructional program for the limited English proficient (LEP) students of Burbank Middle School in order that the linguistic and academic needs of LEP students may be better addressed in all of the educational programs of the school.

Goal 2:

To develop students who are fully bilingual and biliterate.

Goal 3:

To increase the number of teachers and educational personnel trained to work with language minority students.

Staff Development Objectives

- A. Project Teacher Training
- B. Counselor and Administrator Training.
- C. Bilingual Aides & First Language Support Personnel Training

Goal 4:

To foster parental involvement and family literacy within the Burbank Middle School community.

- A. Parental Involvement: Parental Involvement Experiences for Parents of LEP Students.
- B. Family Literacy: Education Opportunities for the Families of LEP Students.
