

TESTING CALENDAR 2007-2008

The following dates are very important as your child will be tested through various assessments measuring his/her skills. Please help us ensure that your child attends his/her assigned tutorials, receives a good night's rest, and eats a healthy breakfast prior to test dates. Studies show that these factors significantly increase student performance.

SEPTEMBER	
4 TH - 7 TH	<u>Benchmark I</u> Reading (6, 7, 8) Math (6, 7, 8) Science (8)
