P2—8A Science	R2— Planning Period
P3—Planning Period	R3—8A Science
P4—8A Science	R4—8A Science

Inquiry based science exploration with an emphasis on technology. Students will study:

- ❖ Human Activities and Earth Systems
- ❖ Genetics and Interdependence of Living Systems
- ❖ Matter and Energy
- ❖ Light and the Universe

I was born in 1964 in New Orleans and grew up in Dallas. My family is still in Dallas. I have lived in Houston for 20 years. I am married to Jeff Devera and have a lovely daughter, Kaitlyn (13).

I graduated from Southwest Texas State University with a BBA in accounting. I am a C.P.A. and worked at Arthur Andersen and then at C.I.G.N.A. as a financial consultant prior to becoming a teacher. I love teaching and learning!
