Math

Discovering math and making connections between math concepts.

Students learn the fundamentals of mathematics, communicate their understanding orally and in writing, engage in in-depth problems solving, and learn organizational skills.

Mrs. Ratcliff has been a member of the Lanier faculty since 2000. Like several other members of the faculty she attended Lanier. She completed her students teaching at Lanier in the Fall of 1998 and earned a degree in Mathematics from the University of St. Thomas in 1999. She is the acting mathematics department chair.

She enjoys yoga and traveling abroad with students.
